

Frank Peterson (1949-1954)

Dear Friends;

what a joy and blessing to receive the announcement and invitation to your 75th year of ministering to people in the Polson area.

I cannot remember the exact years my husband and I were your Pastor + wife. I do remember it was during the time our son Myrl was in High School which would be approximately 1949-1953.

The Lord took Frank Home to Glory July 9, 1982 with a massive heart attack. a terrible shock to me but a precious way for him to be taken and not have to spend days + weeks suffering in a hospital. The Lord has been very good to me in leading, directing + guiding my life for His Glory.

may our Heavenly Father Bless you as the word continues to go forth from the church + souls are saved.

I will be thinking of you as you celebrate your 75th Birthday.

Your Friend in Christ,
A former Pastor's wife,
Blanche M. Peterson
